HITOMS BASEBALL CAMP

Committed to a higher level of baseball learning for its participants, the HiToms Baseball Camp is an excellent opportunity for young ballplayers to enhance their skills and broaden their game knowledge. In its eighth year, the HiToms Baseball Camp prides itself on low instructor to camper ratios (8 to 1) and a professional coaching staff. Coordinated by HiToms Head Coach Ray Greene and his assistants, the HiToms staff will work one-on-one with all participants to enhance the camper's fundamentals and individual, athletic skills.

Held at historic Finch Field, the week-long instructional session is an ideal opportunity for young ballplayers to receive an advanced baseball education in an exciting collegiate baseball environment. The camp accepts boys and girls from the ages of 7-16 and week long sessions go from 9:00 a.m. - 12 Noon.
